up tempo rockabilly (200 bpm)

(ref.)

CHRIST! CHRIST! It's Christmas time again (who-hoo-hoo-hoo)
CHRIST! Jesus CHRIST, it's Christmas time again
Another year passed so fast, please tell me what's happening

When I was just a little kid and I still loved the snow
you used to be my lamb of god - well that was long ago
now I put my faith in myself and in my next of kin, YEAH

(ref.)

CHRIST! CHRIST! that's the state that I'm in (who-hoo-hoo-hoo)
CHRIST! Jesus CHRIST! that's the state that I'm in
Another year passed so fast, won't you tell me what's happening

I still believe in a christmas break, that is plain to see
But shiva, jesus and mohammed totally are lost on me
I just want my friends up here - sipping on a glass of beer!

(ref.)

CHRIST! CHRIST! that's the best of my life (who-hoo-hoo-hoo)
CHRIST! Jesus CHRIST! that's the best of my life
Another year passed so fast - it stabs like a knife

SOLO

I would like to wear my stockings, with-you near a fireplace
I even like your jingle bells, jingleing all in my face
All I want is a peak to hump me - and_some_loaded_balls to bump me

(ref.)

CHRIST! CHRIST! that's the best of my life (who-hoo-hoo-hoo)
CHRIST! Jesus CHRIST! that's the best of my life
Another year passed so fast - it stabs like a knife

(einde + snel aftikken + nog een keer extra versnelde versie van refrein?)
