Fridaynight is dark / in this little town
 Luke and Ivy met eachother / where they used to hang around
 They were fresh and they were fondling / had nothing more to say
 they just want to know eachother / in every single way

So this part is easy / 'though this part is new
 their body wants to know It so they walk out in the blue

When the road is narrow, when the road is long
 you must take your baby walking / take you baby home
 when the road is free / empty as can be
 you try to find the place you know her knickers use to be

The week went by / next friday came along
 Luke and Ivy were still dating / their love was growing strong

C	D	C	D
